Plus **SPIDER-MAN J** &
Classic Stories featuring
THE SANDMAN! & **GREEN GOBLIN!**

This is Peter.

He's got spider powers.
He uses them to help people.

One time, Peter ripped up his
costume and needed a new one.

He found a machine that gave
him a new outfit...

...but later found out the "costume" was an
alien that was sucking the life out of him.

But before Peter discovered his clothes were becoming a little *too* attached...
